NOTICE TO EXHIBITORS:

This format for the Certificate of Origin should **NOT** be used if your shipment was manufactured in a NAFTA country (USA, Canada or Mexico). Please use the NAFTA form for shipments originating from a NAFTA country.

The above information should be completed on your company letterhead. Your local chamber of commerce or other notary public should notarize the document. Alternatively, you may seal the document with your official company seal or rubber stamp. You must complete a separate certificate of origin for each country of manufacture.
